

Fixed Issues in DataShop v4.4.4 as of December 17, 2010

Issue ID	Priority	Summary
DS1196	Urgent	Metrics: total student hours is way off
DS1199	High	Student hour on Dataset Info page shows negative number
DS1210	High	Model Values page: display 3 decimal places for KC Slope and no truncation in any of the values in export file
DS1211	Medium	Step Rollup: Problems nav pane displays in Export by Step Rollup report but not LC Step Rollup report
